

Species List for "Recreation Reserve", Pukerua Bay County Town,
Forest and Cliffs west of township only, excluding fault gully.
Names after "Flora of N.Z." Vol. I (Allan), Vol. II (Moore and
Edgar). Compiled January 1971 - June 1972, C.C. Ogle.

Scientific Name.	Common Name.	Habitat.*	Abundance.*
Acaena (un-named)	Bidi-Bidi		
Adiantum cunninghamii	Maiden-hair fern		
Arthropteris tenella			
Asplenium bulbiferum			
A. falcatum	Spleenworts		
A. flabellifolium			
A. flaccidum			
A. hookerianum			
A. lucidum			
Beilschmiedia tawa	Tawa		
Blechnum filiforme			
B. lanceolatum			
Calystegia soldanella	Sand convolvulus		
Carex flagellifera	Sedge		
Carmichaelia	Native broom		
Cassinia leptophylla	Tauhinu		
Centella uniflora			
Clematis hookeriana	Clematis		
C. paniculata			
Collospermum hastatum	Perching lily		
Coprosma areolata			
C. lucida	Karamu		
C. propinqua	Mingimingi		
C. repens	Taupata		
C. rhannoides			
C. robusta x propinqua			
Corynocarpus laevigatus	Karaka		
Ctenitis glabella			
C. velutina			
Cyathaea medullaris	Mamaku (Tree fern)		
Cyathodes juniperina	Prickly mingimingi		
Cyperus ustulatus			
Deyeuxia crinita			
Dichondra repens			
Disphyma australe			
Dysoxylum spectabile	Mercury Bay weed		
Echinopogon ovatus	N.Z. Ice-plant		
Epilobium	Kohekohe		
Galium propinquum			
Geniostoma ligustrifolium	Hangehange		
Geranium microphyllum			
Gnaphalium luteo-album			
Griselinia lucida	Broadleaf, Puka		
Haloragis erecta (=colensoi)			
Hebe "parviflora"			
H. stricta var. macroura	Koromiko		
Hedycarya arorea	Pigeonwood		
Hydrocoryle americana			
H.			
Hypolepis distans			
Hypolepis tenuifolia			
Juncus pallidus	Rushes		
J. sarophorus	Kanuka		
Leptospermum ericoides	Manuka		
L. scoparium	True flax		
Linum monogynum			
Lobelia anceps			
Lophomyrtus obcordata	Rohutu		

Parsonsia capsularis	
P. heterophylla	} N.Z. Jasmine
P. capsularis x heterophylla	
Pellaea rotundifolia	
Pennantia corymbosa	Kaikomako
Peperomia urvilleana	
Phormium cookianum	Mountain flax
Phymatodes diversifolium	Hound's tongue fern
P. scandens	
Pimelea prostrata	
Poa laevis	Tussock
Polyptichum richardii	Five-finger
Pseudopanax arboreum	Lance-wood
P. crassifolium	
Phoridium aquilinum var. esculantum	Bracken fern
Pteris tremula	
Pterostylis banksii	Hood orchid
Pyrosia serpens	
Rhagothra triandra	
Rubus schmidlioides	Bush lawyer
Salicornia australis	Glass wort
Samolus repens	N.Z. Primrose
Scirpus americanus	} Sedges
S. cernuus	
S. nodosus	
Scleranthus biflorus	Half star
Selliera radicans	Shore groundsel
Senecio laetus	poroporo
Solanum	
Stellaria parviflora	
Tetragonia trigyna	N.Z. Spinach
Thlasia sieberiana	
Triglochin striata	
Urtica serot	Nettle
Wahbadmia australis	
Wahlenbergia gracilis	
(110 species, including 2 hybrids.)	

Other indigenous species of pastures, forests, and cliffs to the WEST of Puherua Bay County Town, but outside Recreation Reserve.

Acaena anserinifolia	} Didibidi
A. novae-zelandiae	
Anarthropteris lanceolata	
Apium australe	Sea celery
Asplenium flaccidum "Titahi Bay Form"	
Blechnum capense "siliang"	
B. fluviatile	Rangiora
+ Brachyglottis repanda	Cress
Cardamine corymbosa (?)	Cutty-grasses (Sedges)
Carex (Grimmata)	
+ C. virgata	
Cheilanthes distans	
Colobanthus muelleri	Karamu
+ Coprosma robusta	Cabbage Tree
Cordyline australis	toe-toe
Cortaderia toetoe	Batchelor's Button
Cotula coronopifolia	Mingimingi
Cyathodes fusciculata	Patotara
C. fraseri	Orchid
Dracopis adversus	
Eplolobium	

Scientific Name.

Common Name.

Elaeocarpus dentatus	Hinau
Freycinetia banksii	Kiekie
Haloragis depressa	
Helichrysum filicaulis	
Juncus australis	Rushes
J. gregiflorus	
J. maritimus var australiensis	Salt rush
Knighitia excelsa	Rewarewa (Honeysuckle)
Laurelia novae-zelandiae	Pukatea
Leptocarpus similis	Jointed rush
Lilaeopsis lacustris	
Metrosideros diffusa	White rata
Microlaena stipoides	
Microtis unifolia	Onion-leaved orchid
Nertera setulosa	
Olearia solandri	
Plagianthus divaricata	Salt-marsh ribbonwood
Ripogonum scandens	Supplejack
Rhopalostylis sapida	Nikau
Rubus cissoides	Bush lawyer
Rumohra hispida	
Scirpus prolifer(?)	
Sonchus littoralis	
Thelymitra longifolia	Native sowthistle (puwaha)
Thelypteris pennigera	Sun orchid
Trisetum antarcticum	
Ucinia uncinata	
Cyathea dealbata	Hook-grass
Asplenium hookerianum x ?	Ponga, Silver Fern
Asplenium bulbiferum x flaccidum	

(50 species + 2 hybrids)

*Record "Habitat" as "bog", "kanuka scrub", "Coprosma scrub", "Under pines", "Kohekohe Forest", "Karakara Forest", "Open site - cliff edge", "pasture", etc.

* Record "abundance" as "A" (= abundant), "C" (= common), "P" (=few), "R" (= rare - state how many were seen)

+ indicates plants since found in the Reserve.

ADDITIONS

- Ctenitis decomposita
- Blechnum membranaceum

~~B. Coprosma "scrub"~~
Bryobolus repanda
Carex virgata
~~Coprosma robusta~~
Tetraploea tetrandra
Gnaphalium andax
Notodanthonia unareste
Calystegia ligularium
Poa anceps
Lagenophora pumila
Agropyron scabrum
Allectyon excelsum
